

※ Subway Line #9 is planned to go into operation from May 2009
9号線は 2009年 5月開通予定です
9号线将于2009年5月开通

Map of the Seoul subway system, showing various lines and stations. The map includes the Han River and the Incheon International Airport. The lines are color-coded and numbered, with station names in both Korean and English. The map shows a dense network of lines, particularly in the central and southern parts of the city, with some lines extending to the airport and surrounding areas.
